Academic Site Licenses

Academic site licenses permit an educational institution to distribute copies of the Professional Edition of STATGRAPHICS to current faculty, staff and students for use during the period in which the site license is in effect. The software may be placed on university servers or distributed for installation of individual computers. There is no limit to the numbers of copies that may be distributed.

License Fees are:

Duration of License	License Fee
Fee for initial year	4,237 €
Fee for subsequent years	847 €

Student Licenses

Registered students may purchase a license to use the Professional Edition while enrolled in qualifying curriculum. Upon graduation, students may apply the student license fee toward the purchase of a corporate license.

License Fees are:

Duration of License	License Fee
6 months	25 €
12 months	42 €
College career	85 €
